

FYNBUS TERMS AND CONDITIONS OF SALE

PHYSICAL TOURIST TICKETS

You can purchase a physical version of the tourist ticket at selected selling points. The tickets are valid in the FynBus buses.

Terms of delivery

The ticket is delivered by the selling point and must be physical presented in the bus.

Ticket and validity

The physical tourist ticket is only valid in the FynBus area and must be purchased prior to your journey. The ticket is valid in all the FynBus buses on the date printed on the ticket. You must commence your last ride on the date printed. Example: If the date printed on the ticket is December 23rd, the ticket is valid from 00:00-23.59 on this exact day.

Please note that the period of validity on the physical tourist ticket is different from tourist tickets purchased in the FynBus web shop and app, since tickets purchased online are valid for 24 hours from the time of purchase.

The rule of bringing children for free in the bus does NOT apply for this ticket.

Control

Please present your physical tourist ticket upon request of the driver or inspector. For further information about ticket use, please refer to the joint national travel regulations available here: [Faelles-landsdaekkende-rejseregler.ashx](https://faelles-landsdaekkende-rejseregler.ashx) (rejskort.dk)

Payment

Please refer to the specific selling point for information about payment of the physical ticket.

Refund

Tourist tickets are non-refundable.

Right of cancellation

Tickets are not subject to the right of cancellation, since passenger transport is exempted from these regulations, cf. §1, 4, 4 of the Consumer Protection Act.

Charges

The physical tourist tickets are purchased without charge.
